## EMPLOYMENT HISTORY

### Director of External Affairs, Women In Engineering - Concordia University

Montreal

May 2020 — Present

Working with the VP of External Affairs on tasks such as:

- Organizing professional networking events and workshops for students that promote an inclusive atmosphere
- Procuring new sponsors, building long-term relationships with companies, & composing solid contracts
- Maintaining relations with other Women In Engineering Associations across Canada
- Contacting faculty and professionals for various purposes, such as company invoices and event permissions
- Working with designers and manufacturers to create WIE merchandise

## EDUCATION

### Software Engineering, Concordia University

Montreal

Sep 2018 — Present

Regular participant of Case Competitions such as the FinTech Cadence Startup Formathon 2020.

## PERSONAL PROJECTS

### Student Event App

Jul 2020 — Oct 2020

Companion [mobile application](#) for students to use during Orientation Week, Frosh, and similar events.

- Designed an intuitive tap & card-based UI using **Adobe XD**
- Implemented the UI using **Flutter & Dart**
- Deployed the app to the web
- Developed a **Firebase** back-end to complement the front-end

### TriCswim Website

Sep 2020 — Nov 2020

Built a refined and practical [e-commerce website](#) for swimwear start-up TriCswim.

- Discussed website UI requirements & functionality with the team
- Developed the website UI using **Vue.js**
- Implemented a real-time database with **Firebase**
- Incorporated a safe online payment feature through **Stripe**
